- 1st McCarthy & Gething – Boxania Romanoff to Jeddhi
Striking, square 8 mth old B/W male who catches your eye immediately for his overall balance. Super, clean head of good proportion with lovely width & depth of muzzle, good mouth and a well placed and shaped dark eye giving a kind expression. Crested neck into good shoulders, good spring of rib, firm topline and correct tailset. Just the right amount of hind angulation. Well off for bone with tight feet. I wouldn't have changed a thing about him. Moved soundly and steadily and was beautifully schooled and handled.
- 2nd Louis – Boxania Over The Moon
Litter brother to 1 and although not as ready as his brother yet in body he possesses a super head piece, which is clean and well proportioned with a good mouth and an alert expression from his dark, well placed eyes. Firm topline and good tailset. He too stands on good bone and feet and has good angulation. Moved and handled well. Just needs time.
