

## Rally 2003

Judge: Mrs Zandra Vautrey

The Northern Boxer Cub held its Annual Statuette Rally on Sunday the 3rd August. The weather was glorious and helped the day go with a swing. There was something for everyone with a mixture of well-supported fun and games (courtesy of Chris Aldham) and with Mrs Zandra Vautrey as our boxer judge for the day. There was a large entry of puppies as is usual and the rest of the classes were well filled.

**Our Statuette winners were :**

Puppy : Robeys - Faerdorn Magic Touch  
Junior : Laing, Grandfield and Jubbs - Bontrapu Kiss 'n' Run  
Adult : Laidlaws - Roamaro Holy Smoke

Many thanks to The NBC for asking me to judge their Summer Rally. I had a great day, as I feel had all the members who came for the fun & games. There was a good atmosphere throughout with everyone entering the spirit of the rally. There was everything anyone could want from good organisation, excellent food and stewardship both on entries in the ring and for the games. Plus, wall-to-wall sunshine and shade when you needed it!

Puppy Walk - 5 Dogs, 16 Bitches

A lovely selection of youngsters ranging in age from 5 months down to a little star of 11 weeks who moved like a trooper on her first outing. Some of the older exhibits both Dogs and Bitches will not doubt go on to win for their respective owners

My principle winners from the more senior classes were overall of a very high quality. Each age group having to play off for the statues on offer. Not any easy task and a great pity that there was only winner from each group

### Puppy

Robey's Faerdorn Magic Touch - a very promising youngster with a stunning outline, very confident on the move covering the ground with ease. Head just right for his age, good mouth and expression

### Junior / Special Yearling

Bontrapu Stop'N'Look, owned by Grandfield, Laing & Jubb - again dogs of quality in the group, the bitch won overall, her expression says Boxer to me. Clean neck and sculptured outline, gave a beautiful picture both on the move and posed

### Open Dog / Bitch

Roamaro Here Comes The Sun owned by M Laidlaw - yet another lovely example of a Boxer from this Kennel. This boy has everything a male should have, excellent bone, cat-like feet, a lovely head with a well-padded muzzle, good mouth and movement

Once again I hope everyone enjoyed their day as much as I did

Many thanks
