### **Critique from Sue Harvey**

*Thank you for inviting me to judge your Statuette Rally*

*It was a pity the weather stopped us going outside but in spite of this a lot of people and their boxers turned up to make it an enjoyable afternoon*

*Sue Harvey (Faerdorn Boxers)*

### **Special Puppy Walk - Dog**

*Cobbs - Stanryk Dream Ryder*

Handsome rich brindle/white pup showing promise. He has a very nice head, good bite, good expression. Well boned front, adequate hind quarters, which I am sure given the correct exercise will strengthen. Nice puppy should have a future - Best Puppy

### **Special Puppy walk - Bitch**

*Beardsell & Van-Beck's - Pure Illusion over Newlaithe*

Very much a baby, dark brindle & white. Has a nice head, good expression, good front, well filled body and good hind quarters. I thought her very promising and had she been a little older may have pushed the dog harder

### **Minor Puppy**

*Pynegar's - Berwynfa G Force*

Well grown brindle & white, quite mature for age. Typy head, good well-boned front, deep body, adequate hand quarters, preferred the eye and expression of the younger dog

### **Puppy**

*Booth's - Seltap Antique Annie*

Very nice brindle & white bitch puppy, pretty head and expression, good front, topline and hind quarters - moved well

### **Junior**

*Philip's - Mejeric Make A Wish*

Really nice brindle & white bitch, lovely head and expression, good front, deep body, good topline and hind quarters, she is so balanced it would be difficult to stand wrong. Very well handled, should have a bright future

### **Yearling**

*Booth's - Seltap Shining Star*

Apologies for the lack of notes on this class

### **Open Dog**

*MacKay's - Berwynfa Toy Boy at Caljan*

Fine upstanding young dog, all male, good well boned front, good topline and hindquarters. He has a good head and expressions although I felt a little strong for his age

### **Open Bitch**

*Mewett's - Newlaithe Lilibet*

Very nice overall red & white, has a good head and expression, good front, topline and hind quarters, moved out well, and sympathetically handled to get the best out of her
