SURRENDERING INFORMATION

About Us

We are a Breed Club based in Yorkshire run by a small committee. All of our re-homing and rescue work is done voluntarily. We work closely with other Breed Clubs and Rescue Organisations to ensure that every Boxer who needs a new home is adopted as quickly as possible. Areas are North, South and West Yorkshire

We do require a £10.00 Registration fee before we can proceed with re-homing your dog. Sadly over time, some people have used our Club to make the decision to have their dog destroyed due to being aggressive towards humans - WE ARE NOT THERE FOR THIS. We CAN NOT re-home a dog that is aggressive in this way, therefore, when your dog is brought to our Rescue Centre a further fee (Cash Only) of £90.00 will be required - once a full assessment of your dog has been given by our Centre and provided that no signs of aggression has shown within 14 days a cheque for £50.00 will be refunded to you. However, if signs have been detected you will be required to collect your dog immediately and do the right thing yourselves! If you refuse to collect your dog then he/she will be destroyed and the bill sent to yourselves which will include travelling/time as well as the Vets fees

Things To Consider Before Calling Rescue

- Contact your Breeder as Responsible Breeders, they will usually help re-home your dog (we do not take in dogs from Breeders who are still active)
- Ask Friends and/or Relatives to take your dog
- Consider advertising your Dog for sale privately

SURRENDERING YOUR DOG

If you need to re-home your Dog you will first need to fill in our **Re-homing Form** and your **Dogs Details Form**. It is essential you provide us with accurate information regarding your Dog and you will be asked about any illnesses and behavioural issues your dog may have. This is so we can place your Dog in the right home for both the Dog and New Owner. We believe there is an owner for every dog and even the naughty ones can be re-trained in the right hands (with the exception of Dogs showing aggression towards humans). When we have received your completed Forms and Fee, we will contact you to discuss the next stages which will either be

- **Home** - if at all possible it is much kinder to your Dog if they can remain in their own home until a suitable home is found. It saves valuable money for us and is much better for your Dog as he/she doesn't have to go into kennels which some dogs hate!
- **Kennelling** - if it isn't possible for your Dog to stay with you until a new home is found then you will be required to bring him/her to our Rescue Centre along with all associated papers/vaccination card etc and the required cash fee
